And they're off! The Chris Cooper Annual Memorial game with [Mistley Cricket Club](#) has begun. Despite being dressed like a tourist in Benidorm, Jack Tompkins is showing some cracking batting skills and we've seen more action out of [Chris Parrott](#) in the last ten minutes than we have all season 😂

Have fun doing an arts and crafts activity from the booklet to complete the challenge & get your [#SmashingBoundaries](#) badge!

Plus, we're always on the lookout for new connections. For example, our car park recently hosted a greyhound dog walk and a local Mum and Baby group is set to meet in our clubhouse!
